From: Carlos A. Gimenez 
Mayor

Subject: Resolution Authorizing the Conveyance of an Aerial Easement to the Florida Department of Transportation for the construction and maintenance of the State Road 836/Interstate 395 Signature Bridge over NE 2 Avenue between NE 11 Terrace and NE 13 Street, in Section 36, Township 53 South, Range 41 East, Commission District 3

Recommendation

It is recommended that the Board of County Commissioners (BCC) approve the attached resolution authorizing the conveyance of an aerial easement over NE 2 Avenue, which is a Miami-Dade County roadway, to the Florida Department of Transportation (FDOT), which proposes to replace the existing bridge, adding new lanes and ramps to the existing corridor of SR 836 between I-95 and the MacArthur Causeway Bridge.

Scope

The impact of this project is countywide; however it is located within Commissioner Audrey M. Edmonson's District 3.

Fiscal Impact/Funding Source

There is no fiscal impact to Miami-Dade County due to this project. The funding source is FDOT, District 6 Trust fund. (MPO Project Num. DT2516881-FY 2013/14-2017/18 TIP-Approved May 23, 2013).

Public Works and Waste Management is the entity overseeing this project and the person responsible for monitoring this conveyance is Mr. Wayne Sutton, Section Head, Right-of-Way Engineering Section, Roadway Engineering and Right-of-Way Division.

Background

FDOT has scheduled improvements along State Road 836/I-395, between East of I-95 and the MacArthur Causeway Bridge, to be concluded by March 2015. The purpose of this project as envisioned by FDOT in the letter requesting the aerial easement includes: the construction of two (2) additional lanes, the construction of new ramps and the realignment of the existing ramps, an upgrade of the intelligent transportation system, new lighting, and the construction of the new Signature Bridge over NE 2 Avenue, a county road. The granting of this aerial easement will provide relief for traffic congestion in the downtown area.
